

Waldorf One World - Day 2015

Make a difference worldwide; together for a better education!

Dear school community,

Thank you for your commitment on WOW-Day 2015! Together we have achieved a lot. From South America to Europe and South Asia - all over the world large and small, creative and colourful activities took place.

In addition to the sale of homemade treats and colourful flea markets, there were also activities such as the auction of self-painted pictures, the organisation of student cafes or joint improvement projects on school grounds. Many older students took WOW-Day as an opportunity to look into a company or organisation to try out possible career opportunities. During charity runs, younger and older athletes covered countless kilometres to raise funds.

175 Waldorf schools participated in the WOW-Day 2015.

Students from 30 countries around the globe were involved in WOW-Day 2015.

Like every year, some facilities participated for the first time, such as the Waldorf schools in Seoul and Budapest. Meanwhile, even more and more facilities that used to be beneficiaries of WOW-Day organise their own fundraising events.

€352.048,85 were forwarded to facilities in need.

A total of 62 Waldorf and social initiatives ...

...in 25 countries were supported.

Your commitment makes a difference

Whether in Peru, Kenya or Georgia: Your donation makes a difference. Through your dedication and commitment, you enable children and adolescents from poorer countries to experience a happy school time, a protective community or even just a daily hot meal.

You can feel the gratitude in the letters that we received from around the world and have compiled for you.

Enjoy reading!
