WOW-Day is back

One day. Countless campaigns. Worldwide impact.

Dear Waldorf school communities,

We warmly invite Waldorf schools across the United States, Canada and Mexico to take part in **WOW-Day, the Waldorf One World Day**.

For more than 30 years, students around the world have turned their own ideas into action to support Waldorf education and social initiatives worldwide. After several quieter years, **WOW-Day is gaining new momentum**.

A special focus on Ukraine in 2026/27
This school year, we especially invite schools to support Waldorf schools, kindergartens and special education initiatives in Ukraine, where communities continue their educational work under extremely challenging circumstances. At the same time, every school remains free to choose from projects in many countries around the world. Learn more about our focus on: Together for Waldorf Ukraine

Make it your own WOW-Day
There is no single way to participate: students can organize a sponsored run, work for a day, hold a concert or market, or create their own campaign.

What matters is that young people take initiative, experience responsibility and discover that their actions can make a real difference in the lives of others, while making humanity and solidarity tangible. 100% of WOW-Day funds go directly to the selected initiatives.

Whether your school has participated before or is discovering WOW-Day for the first time: **We warmly invite you to join us.**

Sometimes all it takes is one teacher, one class or a small group of students to get started. Please feel free to share this invitation within your school community. Learn more in the enclosed WOW-Day materials and at: **waldorf-one-world.org**

We are very grateful to **AWSNA** for supporting WOW-Day in North America. WOW-Day proceeds from participating schools in the United States, Canada and Mexico can be transferred through AWSNA and forwarded to the selected initiatives.

Let's make wonderful WOW-Days around the world!
